- Built role-based dashboards for 3 distinct user roles.
- Added search and filtering, improving listing discovery speed by 30%.
- Integrated Machine Learning based price prediction with 80%+ accuracy.

TalentConnect (CastMeIn)

- Developed Authentication and Authorization module.
- Used Java, MySQL, HTML, CSS and JavaScript.
- Implemented Signup and Login functionality.

Certifications

- Data Analytics Internship – Camerin Health Technologies Pvt. Ltd.
- AWS Academy Cloud Foundations
- Full Stack Development in Python – STED Council
- Full Stack Development in Java – STED Council
- MERN Stack Bootcamp – LinkUrCodes

Technical Skills

- **Programming Languages:** Python, SQL, Java, C
- **Data Analytics:** Microsoft Excel, Power BI, Power Query, DAX, Data Visualization, Data Cleaning, Data Transformation, Dashboard Development, Business Intelligence, KPI Reporting
- **Database:** MySQL, MongoDB
- **Web Technologies:** HTML, CSS, JavaScript
- **Frameworks:** React, Bootstrap, Tailwind CSS
- **Tools:** Git, GitHub, VS Code, Postman
- **Cloud:** AWS
- **Operating Systems:** Windows, Linux

Core Competencies

Data Cleaning, Data Transformation, Dashboard Development, Data Visualization, Business Analysis, KPI Reporting, Trend Analysis, Data Modeling, Business Intelligence, Problem Solving

Achievements

- State 2nd Runner-Up – Social Science Working Model (2016).
- Participated in Cybersecurity Workshop conducted by ISACA.
- Completed MPOWER Soft Skills Training Program at FISAT.
- Participated in 8-Day MERN Stack Bootcamp by LinkUrCodes.
- Attended National Conference on Edge AI by ISTE Chapter, FISAT.

Positions of Responsibility

- Student Representative – MCA Association
- Event Coordinator – Arangu '25, FISAT
- NSS Volunteer – NIMIT
- SPC Cadet – Star Jesus High School

Languages

English, Malayalam

Soft Skills

Analytical Thinking, Communication, Problem Solving, Teamwork, Adaptability, Time Management

Areas of Interest

Data Analytics, Business Intelligence, Data Visualization, Business Analytics, Dashboard Development
